Honorable Jane L. Rodda:

I am writing to you in reference to a hearing held in Tucson on 29 June 2005 concerning the wastewater treatment fees for San Manuel.

In a local newspaper article dated 6 April 2005 stated "San Manuel residents can expect to receive new sewer bills in Jan. 06, most ranging MONTHLY from \$35 to \$45" (emphases added). The same article also stated "Hearings will be held in Tucson at the appropriate time".

As a homeowner and resident of San Manuel, I did not receive notification of the 29 June hearing. Having been denied the opportunity to voice my concerns of these outrageous monthly fees, I am writing to you. I respectfully ask of you to consider a reasonable fair market value for the San Manuel sewer fees.

Sincerely,

*Ronald W. Delzer*
